## 1. Medicare Fabric Plasters

Medicare Fabric Plasters are a comfortable and convenient way to keep wounds clean, ventilated and protected by providing long lasting, reliable adhesion. The adhesive used on the Medicare Fabric Plasters is hypoallergenic, comfortable, and won't irritate the skin. Medicare Fabric Plasters protect the wound from contamination and infection whilst allowing it to breathe and heal quickly.

- Hypoallergenic & latex free
- Non-stick, extra absorbent, non-adherent pad ensures that the adhesive doesn't stick to the wound, causing irritation
- Durable and highly breathable
- Stretch fabric promotes flexibility and comfort

### Instructions for use

Clean the wound and gently dry the skin. Apply the plaster to the wound without stretching.

	SMALL PACK	LARGE PACK

## 2. Medicare Fabric Long Finger Plasters

Code: PLAMED159

Price: €3.65

Pack of 20

Medicare Fabric Long Finger Plasters are a comfortable and convenient way to keep wounds clean, ventilated and protected by providing long lasting, reliable adhesion. The plaster length is extra-long to cope with finger cuts and scrapes.

- Hypoallergenic
- Extra long length to wrap around finger comfortably
- Non-stick, extra absorbent, non-adherent pad ensures that the adhesive doesn't stick to the wound, causing irritation
- Durable and highly breathable
- Stretch fabric promotes flexibility and comfort
- Latex free

### Instructions for use

Clean the wound and gently dry the skin. Apply the plaster to the wound without stretching.

## 3. Medicare Fabric Strip Dressing

Code: PLAMED049

Price: €3.53

1 strip (1m)

Medicare Fabric Strip Dressing is a comfortable and convenient way to keep wounds clean, ventilated and protected by providing long lasting, reliable adhesion. It's 1-meter-long strip means that you can cut it to suit to the size of plaster you need. These strip dressings will protect the wound from contamination and infection whilst allowing it to breathe and heal quickly.

- Hypoallergenic & latex free
- Non-stick, extra absorbent, non-adherent pad ensures that the adhesive doesn't stick to the wound, causing irritation
- Durable and highly breathable
- Stretch fabric promotes flexibility and comfort
- Size: 6cm x 1m

### Instructions for use

Clean the wound and gently dry skin. Apply the plaster to the wound without stretching.

### 4. Medicare Waterproof Plasters

Medicare Waterproof Plasters are a comfortable and convenient way to keep wounds clean, ventilated and protected by providing long lasting, reliable adhesion. It consists of an ultra-thin strip with a skin friendly, strong adhesive which provides superior protection against water, germs, and dirt.

- Hypoallergenic & latex free
- Waterproof
- Non-stick, extra absorbent, non-adherent pad ensures that the adhesive doesn't stick to the wound, causing irritation
- Durable and highly breathable
- Stretch fabric promotes flexibility and comfort

#### Instructions for use

Clean the wound and gently dry the skin. Apply the plaster to the wound without stretching.

## 7. Medicare Waterproof Kids Plasters

Code: PLAMED121

Price: €3.94

Pack of 30

Medicare Waterproof Kids Plasters are a comfortable and convenient way to keep wounds clean, ventilated and protected by providing long lasting, reliable adhesion. These plasters consist of an ultra-thin strip with a skin friendly, strong adhesive which provides superior protection against water, germs, and dirt. Medicare Waterproof Kids Plasters are suitable for those who need to protect their wound while showering, bathing, and swimming.

- Hypoallergenic
- Waterproof
- Highly breathable
- Durable and flexible
- Non-stick, absorbent, non-adherent wound pad
- Assorted plasters: 20 (19 x 76mm) and 10 (19 x 38mm)

Code: PLAMED122

Price: €3.94

Pack of 30

Available in  
pink and  
blue

### Instructions for use

Clean the wound and gently dry the skin. Apply the plaster to the wound without stretching. Replace when necessary, atleast daily.

## 8. Medicare Waterproof Spray Plaster

Code: PLAMED059

Price: €7.88

70ml

Medicare Waterproof Spray Plaster protects minor cuts and grazes from water and dirt by creating a transparent, breathable film on the skin. It is ideal for hard to cover areas like elbows, knuckles, toes and knees. Medicare Waterproof Spray Plaster allows you to see how the cut is healing and gradually disappears as the wound heals.

- Protects cuts & grazes with a light, breathable film
- Gradually disappears as the wound heals
- Protects the wound from water, dirt and germs
- Ideal for hard to reach areas like the elbows, knuckles, toes or knees
- Water resistant
- Transparent & flexible

### Instructions for use

Before use, thoroughly clean and disinfect the wound with alcohol-free wound wipes or sterile saline solution. Shake the can and hold at a distance of about 15cm of the wound. Spray the product directly onto the wound for roughly 1-2 seconds. Allow to dry.

## 1. Medicare Insect Bite & Sting Cream

Code: PLAMEDO44

Price: €5.45

20g

Medicare Insect Bite and Sting Cream provides instant itch relief for skin irritation caused by insect bites and stings. The specially formulated blend of soothing ingredients acts fast when you need it most. Soothing [Aloe Vera](#) and the breakthrough ingredient, [Eucalyptus Globules](#) essential oil, work together to soothe the skin, reduce irritation and fight the painful stinging and itching caused by an insect bite or sting. Don't let insect bites and stings ruin your holiday fun!

- Gently soothes and calms skin from the itching and swelling of insect bites and stings
- Natural ingredients
- Ideal for travel, <100ml
- Suitable for adults and children 2+ years

### Instructions for use

Apply directly to bite or sting and run gently. If itching persists, re-apply as necessary. For a bee sting, remove stinger before treatment.

### 1. Medicare Sterile Burn Gel

Medicare Sterile Burn Gel is a soothing, cooling gel for the instant relief from burns, scalds and sunburn. This carefully formulated gel moistens, cools and soothes burns and scalds, promoting healing and minimising trauma and skin damage. Medicare Sterile Burn Gel provides the perfect environment to moisten, cool and soothe your burn.

- Provides relief and protects against skin infections due to burns
- Promotes healing, moistens, cools and soothes
- Can also be used for sunburn
- Non-adherent and non-toxic
- Ideal for travel, <100ml
- Available in 3 different forms: multi-use gel, single-use sachet and single-use dressing

#### Instructions for use

Gel & sachets: Apply gel freely onto the affected area. Cover if necessary. Repeat application if required.

Dressing: Open the packaging and remove the dressing. Gently lay the dressing across the burn site. Squeeze any remaining gel from the sachet onto the dressing (do not rub). Do not cover, the dressing may be secured using a conforming bandage.

#### SACHETS

Code: MEDMED111  
Price: €24.75  
25 sachets

#### MULTI-USE GEL

Code: MEDMED043  
Price: €6.90  
50ml

#### DRESSING

Code: PLAMED006  
Price: €6.56  
1 dressing (10cm x 10cm)

### 3. Medicare Natural Aloe Vera Gel

Code: SKNMED036

Price: €7.22

100ml

**Medicare Aloe Vera Gel** quickly soothes, hydrates and restores the skin leaving it feeling cool and refreshed. It is a light, easily absorbed, non-greasy gel. The aloe vera in the **Medicare Aloe Vera Gel** has been extracted from the Aloe Barbadensis plant which has been used for centuries to soothe skin problems.

- Soothes, hydrates and restores the skin
- Suitable for sunburns and burns
- No synthetic tensides or colours
- No parabens
- No petrochemicals

#### Instructions for use

Apply gel freely onto the affected area. Repeat application if required as necessary.

### 4. Medicare Natural Arnica Gel

Code: SKNMED035

Price: €8.21

100ml

**Medicare Arnica Gel** is a gentle, non-greasy gel to relieve pain for muscle aches, stiffness and after sporting injuries. The arnica in **Medicare Arnica Gel** has been extracted from the Arnica Montana plant which has been recognised for its invaluable natural properties since the 16th century. Today it is used by millions worldwide.

- Natural
- Soothing
- Non-greasy
- Pain relief for muscle injuries
- Can be used for bruising, sprains, wound healing and insect bites
- No synthetic tensides or colours
- No parabens

#### Instructions for use

Apply gel freely onto the affected area. Re-apply as often as is required.

## 1. Medicare Foam Ear Plugs

Code: MEDMED062

Price: €3.40

2 pairs

Medicare Foam Ear Plugs prevent disturbances in the hearing conduct caused by external agents (e.g. dust, wind or excessive noise). They are gentle, comfortable and adapt perfectly to the shape of the ear.

- Virtually eliminate pressure on the ear canal
- Gentle foam, comfortable fitting
- Excellent protection against external agents (e.g. dust, wind, noise)
- Great for flying, snoring, motorcyclists, musicians and noisy neighbours
- Adapt perfectly to the shape of the ear
- Latex free

### Instructions for use

Roll and compress earplug into a crease-free cylinder. While compressed, quickly place the ear plug with rounded end first into ear canal. Hold in ear 15-20 seconds until fully expanded.

## 2. Medicare Wax Cotton Ear Plugs

Code: MEDMED001

Price: €5.31

4 pairs

Medicare Wax Cotton Ear Plugs prevent disturbances in the hearing conduct caused by external agents (e.g. dust, wind or excessive noise). They are gentle, comfortable and adapt perfectly to the shape of the ear.

- Virtually eliminate pressure on the ear canal

## 1. Medicare Flight Socks

Price: €16.11  
1 pair of socks

Medicare Flight Socks help to prevent deep vein thrombosis (DVT) in long-haul flights. The use of flight socks can improve circulation, relieving discomfort and helping to prevent circulatory problems such as DVT. The knee length socks provide graduated compression to stimulate blood flow, preventing swelling in your lower legs. This is particularly important if you have varicose veins.

- Provides a graduated compression
- Medically approved aid for the prevention of DVT on long haul flights/train/bus/car journeys
- Helps prevent swollen ankles and tired aching legs
- Ideal for all types of travel
- Suitable for men and women
- Socks can be hand washed at 40°C and dried flat
- Available in 2 colours: Black and Beige
- Available in sizes small, medium and large

### Instructions for use

Fold the socks inside out down to the toe. Gently ease over the toes, then slowly pull to the heel. Smooth over the back of the heel, and roll up over the calf. Adjust back down and repeat if twisted.

### Available sizes & colours

	Black	Beige
S (35-39)	FTMED028	FTMED006
M (40-42)	FTMED004	FTMED007
L (43-47)	FTMED005	FTMED009

## 1. Medicare Insulin Pen Travel Wallet

Code: MEDMED121

Price: €30.92

Medicare Insulin Pen Travel Wallet offers diabetic patients and other medication users the ultimate accessory for the safe and convenient storage/transportation of their temperature controlled supplies, without the need of refrigeration. The Medicare Insulin Pen Travel Wallet has been independently tested and certified regarding its effectiveness.

- Transportation & storage of temperature controlled medicines
- Patented fabric technology keeps medicine cool using evaporation
- Great for active travellers
- Quick and simple to use
- Activation lasts for up to 4 days (depending on ambient temperature)

### Instructions for use

Soak blue inner pouch in water for 1-2 minutes or hold and turn vigorously under running tap water for 30-40 seconds. Squeeze out excess water and insert items to be cooled. Place inner pouch into the outer evaporation wallet. Repeat every 3-5 days to reactivate.

## 2. Medicare Daily Diabetic Organiser

Code: MEDMED054

Price: €18.82

Medicare Daily Diabetic Organiser organises all your diabetic supplies in one place. Fitted with elastic hoops, compartments, and a netted section so all your supplies can be securely organised. Comes with reusable gel pack which when frozen will stay cold for 6 hours, keeping your insulin pens and vials at a safe temperature. Its compact design means it is the perfect travel size.

- Includes refreezable ice pack that stays cool for 6 hours
- Transports all your diabetic supplies
- Padded protective pockets
- Compact & convenient to carry
- Great travel size
